A winning tradition of innovation

With its unique made to measure approach to gaming design, Tableswin ups the stakes on any gaming session. Combining the signature comfort of bespoke luxury with the latest in gaming technology, our exclusive range offers trusted performance and smart solutions for uncompromising individuals and world-class casinos alike.

At Tableswin we constantly work to stay one-step ahead of the industry, evolving our unique fusion of artistry, design and tech to guarantee the ultimate gaming experience. From anti-fraud software or digital gaming solutions to personalized logos on felts, balls and accessories, our mission is to make every gaming session the most memorable - for players and hosts alike. And it goes further than aesthetics - this service is born to compete.

POKER BAR

# Poker Bar

## Poker Bar

Crafted for the most exclusive private gaming rooms, this fully customizable, one-of-a-kind poker table conceals a hidden revolving bar for discerning players who demand full-service, whatever the hour.

### IMPECCABLE TECHNICAL DESIGN

Powered by a state-of-the-art mechanism, the bar disappears into the felt top of the table to ensure an incredibly discreet, luxurious look & feel.

### EXCLUSIVE CUSTOM FINISHES

Underlining its exclusive status, anything from the felt top to the cards and chips can be personalized with your own monogram or preferred colors to suit your home's interior design.

### SUPERIOR COMFORT

Fitted with polished metal glass holders, comfortable padded rails and waterproof felt, the Poker Bar is made to be played in the company of passionate players and your favorite drink.

### PRIVATE GAMING ROOM SERVICE

Perfect for a convivial after-dinner game with club friends or competitive night-long sessions, the "magic pot" at the center of the table holds everything you need to keep glasses charged, hand after hand.
